SARAH PHOENIX
MANAGING DIRECTOR

WELCOME

Dear Customer.....

A very warm welcome to the 2024 Maver catalogue. I'd like Once again, to start with a MASSIVE thank you to everyone who has supported Maver during the last twelve months, I really appreciate your loyalty to our brand.

We're all working hard in the background to develop new products that will sit well in our rapidly changing market, we're confident that our new ranges will be admired by all our customers and shape the look and feel of Maver to come.

Maver is a company with a strong passion since 1911 that runs through the family, our innovative staff combined with an enviable reputation for technology, design and innovation. We have the best team of consultants from the UK and Europe, all anglers at the top of their game who consistently come up with innovative products & designs. Everything is thoroughly field tested by our 'team' before we are 100% happy they are worthy of the Maver seal of approval, and to back this up we offer an unrivalled 2 year warranty on any Maver (UK) Italian produced poles and all seat boxes from our current range. Any Reglass pole purchased in 2022 onwards will be eligible for this sensational 'peace of mind' offer against manufacturing faults. 'Thank you' again for your continued support and on behalf of myself and all of the team at Maver, we wish you a very happy and successful 2024.

MV-RXX 16m

Behold our stunning new flagship pole, the MV-RXX! This model is set to redefine the pole manufacturing market, with many branding it the 'dawn of the hyperpole era'. Created on a brand new, slim 18mm mandrel, this pole is the crème-de-la-crème. Super stiff, incredibly lightweight, and ultra-strong, this is the ultimate powerhouse to not only use, but to own as well. Manufactured using the highest-grade available M9 carbon, it's finished in the elegant Suncore anti-friction surface, utilising STER toughened epoxy resins and Nanolith technology.

With the new 18mm mandrel, we also had topkits designed specifically for this model. Yet these topkits can also fit any other top-end poles with the same bore, making switching to a Maver even easier than before. This pole will handle anything thrown at it and can easily cope with multiple different levels of fishing disciplines. No matter whether you're catching big carp down the margins on commercials or looking to net an impressive bag of small silverfish, it is guaranteed to perform to the highest level no matter what.
We're extremely proud of this pole, and we know it's something special, which is why we've paired it with a generous pole package, supplying any angler with plenty of topkits and additional sections, all coming protected with a brand-new pole hard case completely free of charge.

A true game-changer of the fishing industry, the MV-RXX is ahead of its time.
Comes with a 2-year manufacturer's warranty, giving you complete peace of mind when on the bank.

2 YEARS MANUFACTURER WARRANTY

MV-RXS 16m

Slotting neatly into our MV-R Pole range is the gorgeous MV-RXS, offering another variation for anglers who may not want to stretch to the flagship model.

Reglass have pulled out all the stops on this pole, manufacturing on a brand new slim 18mm mandrel with super high-grade modulus carbon fibre and bonded in our own factory with unique STER toughened epoxy resins. The inclusion of Teflon joints aids in the longevity of the pole reducing carbon-to-carbon wear when used frequently. Incorporating 'Nanolith' technology and our exclusive patented 'Suncore' anti-friction finish increases wall strength thanks to the honeycomb of metal fibres bonded to the outer surface.

Incredibly lightweight yet seriously strong, this pole is guaranteed to perform to a high level no matter whether you're catching small silverfish or bagging up on carp and F1's. Its ultra-responsive nature means less bites missed and more fish in the net.

We understand that this pole is really something else, which is why we've decided to pair it with a generous pole package for the price point, supplying any angler with plenty of extra sections, and of course lots of topkits that come pre-bushed and already have our roller slots pre-installed to save both time and money.

What we have yet to mention is with this model, you'll also get a FREE Pole Protection Case to keep all your precious carbon safe and secure when transporting to-and-from your peg.

We want to make sure your investment into a new Maver pole is more than worthwhile, which is why you'll also get a 2-year manufacturer's warranty, as well as our unrivalled aftercare service to ensure you have complete peace of mind when using your new pole. What's better is that all our spare sections and additional extras are readily available and housed in our UK warehouse so that they can be purchased directly from our UK retailers.

A stunning all-round pole that is sure to turn heads on the bank.

MV-RXX ONE PIECE TOP KITS

X-Series 1-piece power kits are designed to fit our MV-RXX flagship model, bearing an 18mm bore. Just 185cm long, these are ideal for any anglers preferring a shorter length of topkit to gain ultimate control over the fish! Our revolutionary roller slots come pre-installed, saving you time and money. All that's left is to add an elastic of choice.

Available in a 'black' or 'smoke' colour.

MV-RXX 9m Margin Pole

Created with high-grade carbon fibre on a slim 18mm mandrel by our partners at Reglass, it incorporates all our exclusive resins and patented finishes, bringing a complete mix of the best European technology straight into your hands.

Measuring at 9m in length, this is a serious piece of kit that has been tested to guarantee the perfect balance of sheer force and durability whilst still retaining that lightweight feel, so using this mighty tool is nothing but a dream.

The pole package included supplies each angler with plenty of topkits for every eventuality that can be easily matched with even the strongest rated Dual Core, X-Core, and Tri-Core. What's better is that our X-Series topkits are interchangeable with this pole, making it a perfect complement for those owning our RXX and RXS models, as well as any other pole that utilizes 18mm bore topkits, or a stand-out inclusion in any angler's armoury.

MV-R1 16m

Anyone looking for a quality pole but doesn't want to break the bank, then the MV-R1 will fit the bill perfectly. Designed to still offer the top-end pole performance whilst sitting with a low-price tag, the R1 is an all-round pole that is suited to rivers, canals, and lakes. However, it is most impressive when targeting modern day commercial carp, where larger fish reside.

This pole really does have it all, being manufactured to the same standard as our top-end models, with the anti-friction Suncore finish applied to provide further wall strength. For any previous owners of the Signature, Oculus and Definition predecessors, the topkits are interchangeable with the R1, making upgrading to a Maver pole easier than before.

Don't let the low-price fool you, as it also comes with a fantastic pole package offering plenty of topkits.The MV-R1 is sure to be a massive hit with any coarse anglers looking to up their pole fishing game. Comes with a 2-year manufacturer's warranty, giving you complete peace of mind when on the bank.

MV-R

MV-R2 16m

The MV-R2 is the perfect step-up for those looking to improve their pole fishing.Manufactured from high tensile Japanese carbon fibres which we bond in our own factory with our unique resins. This produces a pole that is incredibly stiff, beautifully balanced, and ultra-lightweight.

Reinforced Teflon joints applied to the sections eliminates carbon-to-carbon wear, something only seen on high-end poles, aiding in the longevity and protection of the pole. The package includes plenty of topkits and sections, with the supplied powerkits helping to maintain a fast tip speed even when used with larger elastics. The internal Magic Steps also improve the free flow of all elastics.The MV-R2 lends itself to being the quality pole that's ideal for club and pleasure anglers alike. Comes with a 2-year manufacturer's warranty, giving you complete peace of mind when on the bank.

MV-R3 16m

A true all-round pole, the MV-R3 is something you can rely on every time you go fishing. Strong, tough, yet still remarkably lightweight, the R3 incorporates the elegant Suncore anti-friction surface, utilising STER toughened epoxy resins and Nanolith technology. For any serious anglers looking to upgrade their pole fishing, this is the perfect pole, coming with a liberal pole package that includes plenty of topkits and extra sections.

For any current owners of a Signature Pro, the top 5 is interchangeable with the original Signature 800, as well as the 821 and 921 counterparts, making switching to a brand new Maver pole incredibly efficient. Not only this, the topkits are interchangeable with the Oculus and Definition poles. This is a quality upgrade for anyone wanting something very special. Comes with a 2-year manufacturer's warranty, giving you complete peace of mind when on the bank.

MV-R

MV-R4 16m

For any fans of the previous Signature Pro 921, the MV-R4 takes it to another level that we didn't think was possible. This gorgeous pole prides itself on being super strong, with reinforced joints allowing total confidence when fishing long distances. The stunning, eye-catching graphics will make sure it stands out on the bank, whilst also keeping a stylish aesthetic. It's manufactured from the highest level of super high-grade modulus carbon fibre, finished in the elegant Suncore anti-friction surface utilising STER toughened epoxy resins and Nanolith technology. For any current owners of a Signature Pro, the top 5 is interchangeable with the original Signature 800, as well as the 821 and 921 counterparts, making switching to a brand new Maver pole incredibly efficient. Not only this, the topkits are interchangeable with the Oculus and Definition poles.

This is a fantastic pole for any angler looking for a top-level pole with a top end pole package. Comes with a 2-year manufacturer's warranty, giving you complete peace of mind when on the bank.

DEFINITION XR 14.5m

We didn't think we could improve on the previous Definition model, but we present to you the Definition XR which brings an incredible performance for a ridiculously low price tag!

Our friends at Reglass have made sure that this pole doesn't compromise on quality, manufacturing from high-modulus carbon fibre bonded with STER toughened epoxy resins. With 'Nanolith' technology increasing the wall strength of each section, our patented 'Suncore' anti-friction surface means shipping in and out is a breeze no matter the weather. We've also made sure to add Teflon joints to increase longevity and make sure this pole stands the test of time.

We've spent months designing a pole that can outweigh its predecessor, and we've managed to produce just that. This pole is a superb upgrade from anything before and is sure to be a firm favourite in pole market.

Its lightweight feel is ideal for use on canals, rivers, and lakes, yet it still retains plenty of strength to tackle carp on commercial venues – the perfect all-round pole for any angler who frequents multiple venues.

There's plenty of versatility with this pole too, as we offer 14.5m package. The package supplies additional sections as well as numerous topkits that come pre-bushed and pre-roller slotted to save both time and money.

We want to make sure your investment into a new Maver pole is more than worthwhile, which is why you'll also get a 2-year manufacturer's warranty, as well as our unrivalled aftercare service to ensure you have complete peace of mind when using your new pole. What's better is that all our spare sections and additional extras are readily available and housed in our UK warehouse so that they can be purchased directly from our UK retailers.

The Definition XR may harbour a budget price tag, but the quality far exceeds the price!

SIGNATURE PRO POWER 1000 10m

For fans of Maver Signature poles, the Pro Power 1000 will be the final piece of the jigsaw. Manufactured from the highest level of super high grade modulus carbon fibre this is technology at it's best. This 10m model is the ultimate in strong margin poles, built specifically to target large edge fish. Boasting incredible wall strength, the Signature Pro Power pole can be fished with 18-20 Dual Core or Tri core elastic in place with extreme confidence. Featuring sections which boast an impressive amount of power when large fish are hooked with a progressive fish-playing action. The pole comes supplied with a power kit inside the pole, cupping kit & a spare power kit which are pre-bushed and pre-slotted to accommodate Maver's best selling Dual & Tri core elastics.

MV-R X2 DOUBLE POLE ROLLER

Manufactured from high quality materials that are built to last, this roller features three fixed EVA uprights, ideal for those venues where double-shipping is required, as well as two horizontal EVA rollers for silky smooth shipping whilst also protecting your pole.

The four telescopic legs allows for easy adjustments on uneven ground, with additional spirit levels for the perfect alignment and superior stability. For extra backbone throughout harsh weather conditions, a weigh down hook is located underneath to ensure it stays upright.

Built with two push button open/close systems on either end, this roller is super easy and quick to set up, making this an essential item for every pole angler out there.

Standard height – 66cm
Full extension – 145cm
Width – 77cm

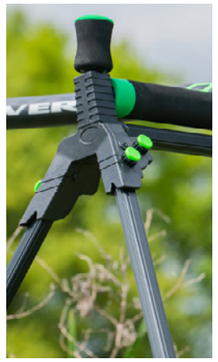

Code	Model	Trade price	RRP	Pack
L280	MV-R X2 DOUBLE POLE ROLLER	£49.99	£89.99	EACH

NEW

MV-R X2 FLAT BED ROLLER

Constructed from tough, high quality materials, this roller features two EVA uprights, along with two horizontal EVA rollers for extremely fluid movement, all whilst shielding your pole from damage.

The four telescopic legs allows for easy adjustments on uneven ground, with additional spirit levels for the perfect alignment and superior stability. For extra backbone throughout harsh weather conditions, a weigh down hook is located underneath to ensure it stays upright.

Finished off with two push button open/close systems on either end of the roller, this is a brilliant item that will become a vital piece of any pole angler's tackle.

Standard height – 66cm
Full extension – 145cm
Width – 77cm

TRI CORE ELASTIC

The ultimate in power elastic is Maver's new incredible TRI CORE. Manufactured using an innovative triple core hollow system. Unbelievable strength, tough & durable elastic allowing superior control when catching big weights of hard fighting carp. The triple core construction gives far more power than traditional hollow elastics, putting you in control of the fish, enabling the angler to build up huge match winning weights quickly and efficiently. Available in both 2.5m and 5m lengths, allowing for easy elastication of either one or two power kits.

MV-R X-CORE HYBRID ELASTIC

Our X-Core Hybrid elastic has the durability of a solid elastic, whilst still retaining the stretch of a hollow, with its solid core removing the risk of those troublesome air bubbles and flat spots, meaning more fish end up in your net! Available in 8 different strengths, this elastic is perfect for all types of fishing, no matter whether it's silverfish fishing in the winter or bagging large weights of carp during the summer months. Designed, tested, and developed in the UK. 3m length.

Developed in the United Kingdom

MV-RXX CARP FEEDER RODS NEW

10FT 11FT

Rods fit for Royalty, our new MV-RXX Carp Feeder rods are the perfect weapons for battling it out with warriors of the deep. Manufactured with the highest quality 1k carbon fibre weave, the inclusion of American Tackle snagless guides and Fuji reel seats gives further enhancements for a stunning performance.

Undergoing harsh testing and intensely scrutinised to comply with our high demands, every inch of this blanks has been tweaked and tinkered with until perfection was achieved. The ultimate balance of playing power, casting, and comfort was the goal, and we're proud to say we've accomplished just that.

Supplied with two carefully graded hollow tips in 2.0oz and 2.5oz, they provide a superb action in both casting and playing capabilities, producing an ultra-responsive nature that highlights every single moment throughout the fight with the fish.

Incorporating a bespoke flat cork handle not only helps with both balance and comfort, but also improves an already impressive performance, making these rods an absolute joy to use.

Available in 10ft and 11ft, with the distance rods being 12ft and 13ft in length.

Code	Model	C/Weight	Trade price	RRP	Pack
A3070	MV-RXX FEEDER 1K CARBON - 10FT	20-60g	£99.99	£179.99	EACH

MV-RXX DISTANCE FEEDER RODS NEW

12FT 13FT

Launch your leads to extreme lengths with our MV-RXX Distance Rods. Packed with plenty of punching power, these slim-line rods are absolute beasts, branding the 'RXX' logo, proving their stature. Placed under intense testing and pushed to the limit to ensure even the acute details are nothing short of perfect, these rods have a complete mix of playing power, accuracy, and comfort to guarantee the best experience with every use.

Manufactured with the highest-grade 1k carbon fibre weave, American Tackle snagless guides for smooth casting and retrieval, and incorporating Fuja reel seats for ultimate luxury and to maintain impeccable balance. In order to let fly over incredible distances, two carefully graded hollow tips are included – 2.5oz and 3.0oz – giving more than enough backbone to engage and tame even the hardest fighting fish.

Designed with a bespoke flat cork handle which not only improves comfort when in use, but also increases performance. Available in 12ft and 13ft lengths.

MV-RXX CARP WAGGLER RODS NEW

10FT 11FT

Blanks built for bagging, our new MV-RXX Carp Waggler rods are the most ideal tools for any type of float fishing. No matter whether it's fishing on the deck with a straight waggler, or up-in-the-water during the summer months with a bit of pellet waggler work, these extremely versatile rods boat plenty of backbone to handle even the hardest fighting fish.

Manufactured with the highest grade 1k carbon fibre weave, the added American Tackle snagless guides provides excellent casting proficiency, with the Fuja reel seats ensuring incredible balance with a variety of sized reels. Tested to the max on a variety of waters, each and every detail of these rods have been perfected to create an unreal user experience at consistently high levels – one that brings you closer to the fish.

A true powerhouse in any angler's armoury, these rods are certain to go above and beyond expectations and alleviate the bar to unprecedented levels.

EVA ZIP UP ACCESSORY CASE

NEW

Store your important and needed tackle items whilst providing protection with our EVA Accessory Cases. Made with high-quality, strong EVA material that offers both dust and water resistance, these cases are the perfect storage bags that can be easily packed away inside a carryall for on-hand usage whenever they are needed. The transparent lid means you can view the contents quickly, and the firm zipper guarantees everything stays put within the case. The additional heat-welded carry handle on the lid makes for easy and comfortable lifting.

EZ BREATHE BAIT CASE

NEW

Our new EZ Breathe Bait Tubs are the perfect way to store live bait, such as maggots and worms. The durable, high-quality EVA material ensures that each tub maintains its shape for maximum capacity. Simple yet so effective, the main event of these tubs is the fine mesh lid, which helps provide oxygen to the live bait inside to preserve freshness. The additional firm zipper makes transporting easy without the worry of any spillages.

EVA BAIT SYSTEM 4+1

NEW

Consisting of a large square case, with four inner removeable tubs, each is perfect for storing bait – whether it's pellets, maggots, or your other favourite fish food – and also make for handy bait tubs for compact room on your sidetray. Each small tub is constructed with high quality, durable EVA material that ensures moisture won't creep in the sides. The sturdy top rim also aids in the tubs always keeping their shape for maximum capacity. The additional storage case can easily house each tub, with the clear, zipped lid making easy viewing of the contents inside. The heat-welded handle on top means transporting to-and-from your peg is a breeze. Finished with subtle branding for a sleek finish, this luggage item is one that you cannot do without.

POLE RIGS | 98 - 99
WAGGLERS | 100 - 105
BOLO / STICK FLOATS | 106 - 107

SIGNATURE FLOAT SERIES

An innovative and exciting range of stylish pole floats designed for more natural venues. Featuring highly visible bristles, all body shapes are matched perfectly with correct length of wire and carbon stems and hand finished. Incorporating the very best components available, all have been hand-picked by our International anglers to maximise the intended use of each float.

SIGNATURE SERIES 1

Body: Balsa
Eye: Stainless steel side eye
Bristle: Hollow 1 - 1.2mm

A round bodied pattern perfect for fishing rivers or moving canals. This float has line going through the body and a stainless steel side eye next to the tip. This ensures optimum control of the rig as the floats sits perfectly on the line and is extremely stable. Available in 6 popular sizes.

SIGNATURE SERIES 7

Body: Balsa
Eye: N/A
Bristle: Hollow 1.25 - 1.5mm

An in-line rugby ball-shaped pattern featuring a hollow bristle and carbon stem. The Signature Series 7 is the ideal float for use on deeper mixed fisheries where delicate bite indication is a must when hoping to catch a variety of species of all sizes, yet remaining strong enough to not let you down. Provides finesse and reliability in equal measure. Sizes 0.5, 0.75, 1.0, 1.25, 1.5 gram.

SIGNATURE SERIES 8

Body: Balsa
Eye: Stainless steel side eye
Bristle:Solid plastic 1mm

A pencil float design incorporating a solid plastic bristle & carbon stem. Also features a correctly positioned side eye allowing for cleaner strikes and a slight shoulder on the top of the body allowing the angler to marginally hold the float back in running water without the body riding up out of the water. Primarily suited to pole to hand work or whip fishing. Sizes 1.0, 1.5, 2.0, 2.5, 3.0 & 4.0 gram.

MV-R FLOAT SERIES

A stunning range of commercial pole floats designed by Welsh International angler Lee Edwards. Covering every possible application from maggot fishing for silvers through to pellet fishing. Incorporating the very best components available, the tips and stems have been hand-picked to maximise the intended use of each float, resulting in an incredibly versatile and top performing float range.

MV-R SERIES 1

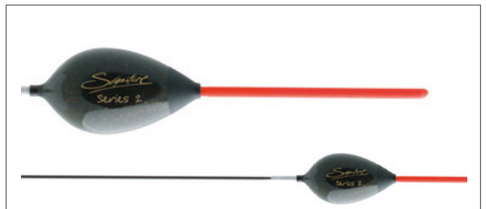

Body: Balsa
Eye: Stainless steel side eye
Bristle: Hollow 1.7mm

Classic body shape featuring a 0.8mm white fibreglass stem and 1.7mm high visibility hollow bristle and super hard finish makes this an excellent all round pattern for fishing baits on the bottom. Sizes 0.3, 0.4, 0.5 and 0.6 gram.

Code	Model	Ø STEM	Length	Trade price	RRP	Pack

MV-R SERIES 7

Body: Balsa
Eye: N/A
Bristle: Hollow 3.0mm

A superb, innovative new addition to the ever popular MV-R range of floats. This in-line pattern is perfect for mugging/ dobbing and features a loaded base to aid the pendulum action required to put the bait in front of any cruising fish. This instant, self cocking float has already been accountable for some huge weights of carp and numerous match wins. Size 0.3 gram.

Code	Model	Ø STEM	Length	Trade price	RRP	Pack
H2530	SERIES 7 - 0.3g	0.8mm	48mm	£10.99	£1.99	10

MV-R SERIES 7+

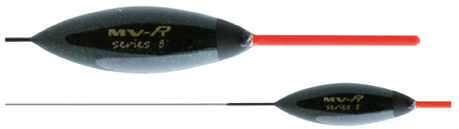

Body: Balsa
Eye: N/A
Bristle: Hallow 4.0mm

Same as the Series 7 except constructed with a 4mm bristle to enable the use of larger baits.

Code	Model	Ø STEM	Length	Trade price	RRP	Pack
H2535	SERIES 7 PLUG - 0.3g	0.8mm	48mm	£10.99	£1.99	10

MV-R SERIES 8

Body: Balsa
Eye: Stainless steel side eye
Bristle: Hollow 1.5mm

This popular shape offers great stability in cross winds, featuring a 0.6mm wire stem and 1.5mm high visibility hollow bristle. Ideal for snake lakes & primarily aimed for fishing on the deck, the bristle allows the use of any bait such as maggot, pellet, corn, meat. Sizes 0.15, 0.2, 0.4 & 0.5 gram.

Code	Model	Ø STEM	Length	Trade price	RRP	Pack

H2543	SERIES 8 - 0.5g	0.6mm	100mm	£10.99	£1.99	10

MV-R SERIES 11

Body: Balsa
Eye: Stainless steel side eye
Bristle: Hollow 2.0mm

The MV-R series 11 was designed for use in deeper water, featuring a longer stem than the series 10. Constructed with strength in mind, the stem of the float runs right the way through the body into the tip meaning it can easily withstand the rigours associated when fishing for big fish with paste. Boasts a wrap around eye which the tip passes through to help prevent the eye from being pulled out of the body and an additional eye located at the top of the bristle to help minimise tangles. Sizes 0.2g & 0.4g.

Code	Model	Ø STEM	Length	Trade price	RRP	Pack
H2750	SERIES 11 - 0.2g	1.0mm	120mm	£10.99	£1.99	10

MV-R FINESSE FLOAT SERIES

The MV-R Finesse range of commercial pole floats have been designed primarily for snake lakes & refined commercial fishing. All floats are constructed from rohacell foam bodies and incorporate the ground breaking nitinol wire stems. These floats are virtually indestructable under normal use. When bent the stems simply return to a dead straight wire, vastly reducing breakages. Nitinol has unique properties - SME (shape memory effect) & SE (super elasticity).

MV-R FINESSE SERIES 1

Body: Rochacell foam
Eye: Stainless steel side eye
Bristle: Hollow 1.5mm

Classic body shape featuring a 0.6mm nitinol wire stem and 1.5mm high visibility hollow bristle and super hard finish makes this ideal for strung out shotting patterns or small bulks. Ideal for carp, F1's and silverfish. Sizes 0.1, 0.2, 0.3, 0.4 and 0.5 gram.

Code	Model	Ø STEM	Length	Trade price	RRP	Pack

H2554	SERIES 1 - 0.5g	0.6mm	85mm	£12.99	£2.49	10

MV-R FINESSE SERIES 2

Body: Rochacell foam
Eye: Stainless steel side eye
Bristle: Hollow 1.5mm

These popular rugby ball shape floats feature a 0.6mm nitinol wire stem and 1.5mm high visibility hollow bristle. Great for windy conditions as the body doesn't ride out of the water. These work best with a bulk shotting pattern and a few small droppers. Sizes 0.2, 0.3, 0.4 and 0.5 gram.

MV-R FINESSE SERIES 7

Body: Rochacell foam
Eye: Stainless steel side eye
Bristle: Hollow 4.0mm

The MV-R Finesse Series 7 is a small, lightweight float designed for fishing shallow. Incorporating a line-through-the-body design with a nitinol wire stem for extra durability, the series 7 is capable of withstanding the rough and tumble associated with fishing shallow on commercials. The extra thick 4mm bristle allows the use of larger baits, such as pellet and meat, etc. Sizes 0.1g, 0.2g & 0.3 gram.

REALITY FLOAT SERIES

The Reality series pole float range offers both reliability and durability in spades. Hand finished by Europe's top float manufacturer incorporating high quality materials and a super strong construction which sees the stem of the float running right the way through the body of the float itself and sleeved into the bristle. By designing the float in this way with the back of the eye sat against the fibreglass stem, it is very unlikely the side eye will ever be pulled out of the body. With 3mm hi-vis bristles fitted throughout the range this commercial float series will appeal to the masses!

REALITY SERIES 1

Body: Balsa
Eye: Over sized power side eye
Bristle: Hollow 3.0mm

The Series 1 incorporates a classic diamond-shaped body offering great stability in cross winds. Featuring a 1mm white fibreglass stem and a high visibility 3mm thick bristle, this pattern is best suited to fishing to depth with the thick bristle aiding presentation when offering large hookbaits such as meat, pellet or corn. Sizes 0.3g, 0.4g, 0.5g, 0.6g & 0.75 gram.

Code	Model	Ø STEM	Length	Trade price	RRP	Pack

SIGNATURE RUNNING WATER FLOAT SERIES

Designed by arguably Britains finest river angler Lee Edwards. Top quality range of in-line stylish running water floats suitable for all UK rivers. Featuring highly visible tips & bristles, all body shapes are matched perfectly with correct length of carbon stems and hand finished. Incorporating the very best components available.

SIGNATURE IN-LINE 2 BOLO FINESSE

This in-line pattern has a pronounced shoulder design to aid easing the float through the swim without the body riding up out of the water. Incorporates a short hollow bristle to help support large baits for when fishing positively. The In-line version is attached by simply threading the line through the centre of the removeable body. Awesome floats. Suited to depths up to 20ft.

HOOKS & MONO

MV-R SERIES | 136 - 137
INVINCIBLE & ELITE SERIES | 138 - 139
MT SERIES | 140 - 141
INVINCIBLE HAIR RIGS | 142 - 143
HOOKS TO NYLON | 144 - 145
MV-R MONO | 146 - 147

MV-R HOOK SERIES

Probably one of the most important items of fishing tackle you require is a reliable, trustworthy selection of hooks. The MV-R Commercial range has been designed and tested by our vastly experienced product development team specifically for commercial fisheries. We only use a premium grade of high carbon steel to ensure that the hooks remain super strong & most importantly, seriously sharp. All hooks are chemically sharpened.

MV-R POWER CARP 1

A classic wide gape hook that is perfect for pellet, corn, meat and paste fishing. Strong forged pattern with a long in-turned point. Spade end and barbless.

Code	Model	Trade price	RRP	Pack
G1200	MV-R POWER CARP 1 - SIZE 10	£4.99	£0.99	10
G1201	MV-R POWER CARP 1 - SIZE 12	£4.99	£0.99	10
G1202	MV-R POWER CARP 1 - SIZE 14	£4.99	£0.99	10
G1203	MV-R POWER CARP 1 - SIZE 16	£4.99	£0.99	10

MV-R PELLET CARP

A seriously powerful hook with a 30° angled eye that is perfect for use with a knotless knot. Ideal for all waggler and feeder fishing situations. Barbless eyed, black chrome finish.

Code	Model	Trade price	RRP	Pack
G1210	MV-R PELLET CARP EYED SIZE 14	£4.99	£0.99	10
G1211	MV-R PELLET CARP EYED SIZE 16	£4.99	£0.99	10
G1212	MV-R PELLET CARP EYED SIZE 18	£4.99	£0.99	10
G1213	MV-R PELLET CARP EYED SIZE 20	£4.99	£0.99	10

MV-R F1 FINESSE

Suitable for smaller carp or F1 carp fishing where presentation is key. Perfect with maggots, casters, soft pellets, corn & meat. Black chrome finish. Barbless spade-end.

Code	Model	Trade price	RRP	Pack
G1205	MV-R F1 FINESE SIZE 14	£4.99	£0.99	10
G1206	MV-R F1 FINESE SIZE 16	£4.99	£0.99	10
G1207	MV-R F1 FINESE SIZE 18	£4.99	£0.99	10
G1208	MV-R F1 FINESE SIZE 20	£4.99	£0.99	10

MV-R POWER CARP 2

The ideal all round hook for heavy duty commercial fishing. A large eye, ultra strong gauge & classic long shank shape makes this perfect for bagging/margin work on the pole. Barbless eyed, black chrome finish.

Code	Model	Trade price	RRP	Pack
G1225	MV-R POWER CARP 2 - SIZE 12	£4.99	£0.99	10
G1226	MV-R POWER CARP 2 - SIZE 14	£4.99	£0.99	10

INVINCIBLE SERIES

The Invincible Match range of hooks have been designed and tested by the Maver product development team. Super strong, tough and, most importantly, seriously sharp. All the hooks in the range are chemically sharpened and only premium grade high carbon steel is used in their construction. Big hit with commercial match anglers who regularly catch big weights of fish.

CS20 HAIR RIG

An ultra strong barbless eyed hook that is perfect for hair rig hook lengths for pellet waggler, method feeder and straight lead fishing with pellets, meat, corn & bread. Black chrome finish. Barbless.

Code	Model	Trade price	RRP	Pack
G1000	INVINCIBLE HOOK SERIES CS20 - SIZE 12	£4.49	£0.99	10

G1008	INVINCIBLE HOOK SERIES CS21 - SIZE 18	£4.49	£0.99	10

MATCH THIS HOOK SERIES

Designed and tested by our vastly experienced development team, the MT range of hooks has been designed specifically for commercial fisheries. We have only used a premium grade of high carbon steel to ensure that the hooks remain super strong & most importantly, seriously sharp. All hooks are chemically sharpened.

MT SERIES 1

Fine wire but extremely strong. Use when conditions are difficult and carp are finicky. Also ideal for caster fishing. Incredibly sharp point. Spade end wide gape and barbless.

INVINCIBLE HAIR RIGS

A sensational range of hair rigged hooks to nylon which have been developed and endorsed by Maver anglers Callum Dicks & Andy Kinder. Designed to cover all commercial styles of fishing incorporating the super strong Invincible hooks. With a variety of options / lengths we have it all covered whether you prefer bait bands, speedy stops or bait spikes there is a suitable pattern right here!

CS24 INVINCIBLE HAIR RIGS

The large 30 degree, angled eye, off-set ultra sharp point & extra strong swept shape, greatly reduces fish loss and makes the CS24 the ideal hook for the method feeder & straight lead. Tied with a knotless knot on a 10cm hooklength and finished off with either a hair rigged 8mm stainless steel spike, 3mm bait band or a speedy stop enabling a quick and easy change of baits. 8pcs per pack.

MV-R

MV-R HOOKLENGTH CASE

Compact hooklength storage unit. Designed to hold 24 colour coded spool which allows multiple length hooklengths to be stored efficiently. Complete with marker pen & pins.

Code	Model	Trade price	RRP	Pack
J1130	MV-R HOOKLENGTH SPOOL CASE	£12.99	£24.99	EACH

MV-R MONOFILAMENT

A sensational range of high-tech, low diameter MV-R monofilaments that are already a huge seller. Every mono is micrometer perfect and boasts incredible knot strength. The breaking strengths are excellent and utilise high abrasion resistant materials. The lines are incredibly smooth, water resistant and extremely durable. All our mono is UV resistant and memory free. Manufactured in Japan and spooled in Italy.

MV-R HOOKLENGTH - 50M

Without doubt the best hooklength we have ever seen! Tested vigorously by our International consultants over the last 12 months and set to be the number one hook line for commercial fishing. The linear strength is amazing with exactly the correct amount of stretch to buffer those quick surges from bonus carp. Has many characteristics similar to fluorocarbon. Available in 10 popular sizes the MV-R hooklength mono is spooled onto compact 50m spools to make for easy drawer storage.

TERMS & CONDITIONS

1. Maver (UK) LTD.
In the Trade Conditions references to "the Company", "we", "us" and "our" shall refer to Maver (UK) LTD.

2. PRICES
Prices are liable to alteration without notice and orders are accepted at Prices ruling at the day of despatch even though we may receive a priced order. VAT at the current rate is included in all retail prices shown.

3. NEW ACCOUNTS
We will be pleased to open new accounts with bona fide Retailers subject to satisfactory investigations and Bank and Trade references being provided. Terms are initially on a "cash with order" basis until reliable trading has been established. The minimum initial order for opening a credit account is £500 and subject to agreed terms.

4. ORDERING OF GOODS
Please quote full item numbers and correct descriptions when ordering. The name and address where goods are to be sent must be clearly stated, together with the name and status of the person ordering and the full and proper name and address of the Organisation or Firm to be invoiced.

5. UK CARRIAGE CHARGES
Carriage will be paid by us on all orders over £200 (ex VAT). Orders below £200 will be subject to a delivery charge of £7.50 plus VAT.

6. CARRIAGE
Carriage will be charged at cost for Channel Islands and all off shore islands, including Northern & Southern Ireland. In the event of incomplete orders, back orders will be cancelled. Carriage charges to mainland Europe available on request.

7. DELIVERY
Delivery will be made by our appointed carriers or by post. Every effort will be made to execute orders on one consignment. In the event of incomplete dispatches, subsequent deliveries will be made, carriage paid by us until completion of the order, unless you notify us to the contrary. New orders can not be added to back orders to avoid carriage.

8. DAMAGES, SHORTAGES AND NON-DELIVERY
We will not accept any claim in respect of damage in transit, shortage or non-delivery unless notice is given to the company and to the Carrier by the consignee as follows:
1. For damage in transit within 3 days of receipt of the goods.
2. For shortages within 3 days of receipt of goods.
3. For non-delivery within 10 days of the date of invoice.

9. REFUSED PARCELS
If all or part of a consignment is refused because it is damaged, we must be notified by letter immediately in order to be able to claim on our carriers. Damaged post parcels should not be refused. Delivery should be accepted and we must be notified immediately. Parcels that are noticeably damaged should not be accepted and signed for.

10. SPECIAL GOODS
Orders for "specials" will not be accepted without a signed order.

11. LIABILITY
The Company will be under no liability for any loss or damage howsoever arising from the use or conversion of the goods supplied and the Customer will indemnify the Company in respect of any claim brought by a third party against the Company in respect of such loss or damage, providing always that nothing herein shall exclude, or purport to exclude, any liability of the Company where such exclusion of liability is prohibited, void, or unenforcable under English Law.

12. RETURN OF GOODS
(a) All representations or notifications regarding goods Clients wish to return to us for any reason or in the case of non-delivery of goods, either of which could result in the adjustment of an invoice, must be submitted within 14 days to us in writing and must be sent to our registered Office. Verbal notification or written notifications given to staff in the field will not be accepted as being properly received by the Vendor.

(b) No deduction on the payment of the invoices may be made for the goods returned to the Company until the Company has issued a Credit Note to the Purchaser.

(c) Our Sales Force are not allowed to collect goods for return without prior agreement of the Company.

13. RETURNS
All returns of goods must be sent to the address below. MAVER (UK) LTD, 59 HEMING ROAD, WASHFORD INDUSTRIAL ESTATE, REDDITCH, WORCS. B98 0EA and must be accompanied by a letter giving a full explanation as to why the goods are being returned. Returns should, wherever possible, be accompanied by an invoice/despatch note number. Goods that are returned without the appropriate paperwork will be deemed as low priority.

14. RE-WAREHOUSING/ADMINISTRATION CHARGE
Goods ordered in error will be subject to a 10% re-warehousing charge. No part packs to be returned unless the goods are faulty. No orders, cheques or enquiries to be enclosed with returns. We reserve the right to levy a re-warehousing charge of up to 10% at our discretion (or substantially more if the goods are marked, substandard or damaged in any way). When goods are returned to us they must be in "as new" condition in full packs and without price tags etc. Carriage charges will also be charged at our cost.

15. LETTER/PARCEL RESPONSIBILITY
In all cases of letters or parcels sent via the Post Office or any other agency, the Post Office or such agency act for the sender and any late or non-delivery is the responsibility of the sender.

16. STANDARD SETTLEMENT TERMS
Invoices are due for payment on the Purchaser's receipt of the invoice. For payment received by the Company within 10 days of the date of the invoice, a discount of 4% of the nett value excluding VAT can be deducted. No discount is allowed on VAT which is always payable nett. Invoices paid after 10 days from the date of invoice are strictly nett of discount, unless special payment terms have been agreed in writing. Payment of cash or equivalent will only be deemed to have been made when it has been received by the Company at its Head Office address. Payment by cheque will only be deemed to have been made when the cheque has been cleared by the Payer's Bank. Payment will first be set against outstanding credit and collection surcharges, then the balance will be allocated to the reduction of the invoice balance. No deduction in the payment of invoices may be made for goods returned to the Company until the Company has issued a Credit Note to the Purchaser.

17. SPECIAL SETTLEMENT TERMS
These will only apply when confirmed in writing by the Company.

18. OVERDUE ACCOUNTS
Any invoices which have not been paid by the 30th day after the invoice date will be classified as "overdue". Accounts that become overdue by 60 days or over will be subject to a 10% surcharge. Any overdue account may be passed out to Collection Agents at the Company's sole discretion and without notice. Should this become necessary, a Collection Surcharge of 15% of all sums then due will be added. In the event that legal action becomes necessary, then a further recovery surcharge of 15% of all sums then due including late payment and collection surcharges, will be added to your account before a Summons is issued and all court fees and legal costs will be claimed in addition. We also reserve the right to put forward-dated invoices out for collection on the above terms at our discretion if we have reason to feel that we will not be paid in full. We regret that deliveries will be suspended on all accounts which are overdue for settlement.

19. TRADE PRICES
Our selling prices are coded thus: E = Each, P = Pack
The last two figures always correspond to pence, i.e.
159 = £1.59, 1095 = £10.95, 86 = 86p.

20. PRO FORMA
Pro forma invoices are subject to agreed terms. No settlement discount is allowed. Please allow 10 working days for cheque clearance.

21. RE-PRESENTED OR "BOUNCED" CHEQUES and "MISSED" BANKERS ORDER PAYMENTS
If a cheque fails to clear your Bank on presentation, we will separately surcharge your account by £10.00. Also £10.00 will be surcharged to your account should your Bank fail to make payment against your Bankers Order. These charges are made to offset our administration and cost of banking.

22. SPECIFICATIONS
We reserve the right to modify specifications at any time.

23. WEIGHTS & MEASURES
Fishing tackle is not an item which is generally sold by weight or volume. When these are given, they serve only as part of the usual description. This catalogue does not constitute an offer for sale. All goods referred to, or illustrated, in any of our catalogues or published literature are offered subject to their availability. Consequently the appearance of any items does not constitute an "offer for sale". The length of rods and poles may vary between +2% or -2%.

24. RETENTION OF TITLE
Ownership of all the goods supplied by the Company shall remain the property of the Company and shall not pass to the Buyer until payment in full for all such items has been made. If payment for the goods is overdue, in whole or in part, the Company shall have the right to repossess the goods and the Buyer hereby irrevocably grants permission to the Company, or its representatives to enter upon such premises owned or under the control of the Buyer and to remove and, if necessary, detach the goods from such premises or from any other goods or property. The Buyer shall have the power to make bona fide market sales of the goods for the benefit of the Company and the Buyer shall hold all proceeds for sale of goods in trust for the Company. The certificate of the Company's Auditors as to the amounts due to be paid to the Company and the times of such payments, shall be binding upon the Buyer and not subject to arbitration or dispute in any Court of Law.

25. GENERAL
Unless otherwise agreed in writing by the Company, all orders are accepted and all goods are dispatched under these terms and Conditions, which will at all times apply to the exclusion of any other terms and conditions inconsistent herewith of purporting to modify the same. These terms and Conditions shall be construed in accordance with English Law and shall be subject to the jurisdiction of the English Courts.

26. PREFERENCE
We will give preference on deliveries of goods to our customers whose accounts are kept within our agreed trading terms.

27. BACK ORDERS
Balances on orders which are out of stock will be kept unless otherwise notified. The Company must be notified by the Buyer in writing if back orders are not required. Failure to inform us in writing will result in a charge of 10% plus all carriage costs. Back orders will be cancelled to all export customers including Ireland and Channel isles.

28. DUPLICATED ORDERS
A charge of 10% plus carriage charges will apply if the customer duplicates an order. It is advisable to check with our Customer Services if there is reason to believe an item is possibly on back order.

29. CANCELLATION OF ORDERS AFTER DESPATCH
A charge of 10% plus carriage costs will apply should the customer cancel an order after it has been dispatched. Cancellation of orders before despatch must be confirmed in writing.

30. NO FAULT FOUND AND PRODUCT OUT OF WARRANTY
Any items returned, including pole and rod spare parts, will be subject to all carriage costs incurred if no manufacturing fault is evident on inspection.

31. PRE-ARRANGED COLLECTIONS (UK MAINLAND)
When a customer arranges for a collection, he or she will be informed by our Customer Services of the day collection is to be made. Failure to have the goods ready when the carrier arrives will result in a minimum carriage charge of £10.00 being made. A receipt must be obtained from the carrier as proof of despatch.

32.
(a) in any case where it is established to the satisfaction of the Company that when delivered goods contain some defects in quality or description outside that of a standard manufacturing fault (and excluding fair wear and tear and misuse of any description by the Customer/Client or any third party) the Company may (entirely at the company's discretion):-

(i) Replace the goods without further charge, or
(ii) Accept the return of the goods and credit the Customer/Client with the price thereof, or
(iii) make the Customer/Client an allowance being the difference between the value of the goods at the time of the complaint by the Customer/Client and the invoice price provided that any complaint by the Customer/Client shall have been notified to the Company in writing within a period of twelve months from the date of delivery.

(b) Save as aforesaid the Company will not be liable to the Customer/Client for any loss or damage suffered and any implied term, condition or warranty statutory or otherwise after the quality of the goods sold or their fitness for any purpose is hereby excluded to the full extent permitted by law and if any provision is held to be invalid then the remainder of these provisions shall continue to apply.
(c) The company shall be under no liability if the goods are not paid for by the due date.
(d) The company's entire liability shall be limited to the value of the contract for the goods.

33. PAYMENT BY CREDIT CARD
Payment can be made by credit card transaction. Contact our credit control department for details and transactions. A charge will be applicable.

34. BRAND IMAGE
As you are no doubt aware, Maver (UK) Ltd has over a number of years carefully created a distinctive and high brand image in the minds of its customers, the public in general and its dealers based upon the excellent properties of its goods as well as the manner in which they are distributed and marketed. With this in mind, Maver wish to ensure that where the dealer uses in conjunction with its shop either the dealer's own website or online store for the purpose of selling Maver's products, then the website or online store is consistent with Maver's brand image or its high product reputation. To this extent, Maver is anxious to ensure that the dealer does not make use of its Trademarks, logos or'name' in any manner at all which will prejudice their distinctiveness of quality or the reputation in good will that Maver has in connection therewith. It is therefore keen to ensure that advertisements on the dealers own website or online store are of high quality and that sites such as 'eBay' or any similar third party websites are not used. Maver feels that the use by dealers of such sites 'devalues' the Maver brand and therefore must inform you that if sales are effected through eBay or other similar third party websites, Maver reserves its right to consider objectively whether such a site is consistent with the brand image it has created and reserves its position with regard to the dealer at that time generally.
